I, the undersigned Customer, hereby request that my water meter Assigned to the above-noted account and address be disconnected from Parker County Special Utility District service and that my deposit is to be refunded to me, if not done previously. I understand that if I should ever want my service reinstated, I may have to reapply for service as a new customer and I may have to pay all costs as indicated in a then current copy of the Special Utility District Rates and Service Policy. Future ability to provide service will be dependent upon system capacity, which I understand may be limited and may require a capital improvement fee to deliver adequate service. I also understand that these improvements will be at my cost. I further represent to the District that my spouse joins me in this request and I am authorized to execute this Request for Service Discontinuance on behalf of my spouse.
